

TERMS OF QUOTATION

All business with Rohlig USA, LLC is undertaken and performed subject to its Terms and Conditions of Service, a copy of which is available upon request if not already received.

Rates quoted for transportation are based on tariffs currently in force with the carriers and are subject to our Terms and Conditions of Service. Ocean freight/Air freight is based on the CAF/BAF/Airline Fuel & Security Surcharge prevailing at the time of shipping and will be adjusted if any changes occur. However, we will endeavour to give early notice of any such change whenever possible.

All origin/destination charges are additional where not specifically mentioned. All quotations are subject to carrier space & equipment availability. All weight and dimensions are subject to carrier approval. All quotations are based on containers being within legal weight limits.

Forwarding quotations cover general cargo only. Quotations for dangerous goods, over length cargo, upper deck cargo, perishable, valuable cargo and/or cargo not suitable for stowage in standard 20' and 40' containers (ocean freight) are available on request.

US Customs Exams Fees, Duty, taxes and any other government charges payable are not included in our quotes unless specifically mentioned.

By requesting this quotation, the Customer warrants to Rohlig USA, LLC, its agents and successors, that both the transportation of the cargo and the cargo itself for which this quotation is given, do not and will not violate any applicable state, Federal or non-USA law or regulation. In the event that such transportation violates any applicable law or regulation, Customer will defend, indemnify, and hold harmless Rohlig USA, LLC, its agents and successors from any and all liability, costs, expenses, and attorneys fees resulting from such violation. Rohlig USA, LLC assumes no obligation to undertake or assist Customer in any remediation of any such violation.

All freight and ancillary charges as per agreement are due and payable to Rohlig USA, LLC regardless of the existence of, or planned lodgement of, a claim or loss or damages by either the consignor or consignee as per our Terms and Conditions of Service.

This quotation does not include Cargo Insurance. We strongly suggest you request to have your goods and transport insured. Insurance rates are available on request.

Currency exchange rates are calculated based on daily published rates by Bank of America plus 5%.

Where no credit arrangements have been agreed, payment for all charges is required COD (Cash on Delivery). Form of payment accepted is via cashiers check or money order only.

Local Port charges and Airline Fuel and Security Surcharges are set by the shipping line/airline and will be adjusted should a change occur.

Weight/Measurement conversion:	International Air Freight	1 cbm = 167 kg
	Domestic trucking	1 cbm = 250 kg
	Sea Freight LCL	1 cbm = 1000 kg
		(minimum 1 cbm)

Delivery/Pickup rates are based on live load / unload, 2 hours free, unless otherwise noted. Waiting time will be charged per hour thereafter.

All delivery/pickup rates are based on services rendered between regular business hours, Monday – Friday 8am-5pm, and are based on business pickup/deliveries only, and premises having a loading/unloading dock. Any request for additional services is not included in our quotation.

The principal must inform the freight forwarder and abide at the time of giving the instructions, to all regulations concerning marine safety regulations (e.g. SOLAS) and needs to provide instructions if trademark and industrial property rights of third parties e.g. license restrictions arising from the Ownership of the product as well as statutory provisions and official restrictions which may cause problems in the order procedure.
