RE: International Terminal Fee (ITF) for Import Seafreight at Qube Terminals

Dear Customer.

Per the attached announcement from Qube an ITF on import sea will be introduced at \$30 per gate pass, effective 9th October 2017.

After extensive discussions with management at Qube, it is clear that due to escalating costs of running container freight stations have come to the point where this fee must be introduced.

As this is a fee being billed to the market, we suggest you establish a payment facility with Qube to ensure smooth release of all cargo.

Yours sincerely
