Your partner in reasonable care

RÖHLIG USA – YOUR PARTNER IN REASONABLE CARE

Let our team of licensed professionals help guide you through the varied concept of reasonable care and your responsibilities as an importer.

YOUR REASONABLE CARE RESPONSIBILITIES AS AN IMPORTER

US Customs applies a reasonable care standard to judge the compliance of your import transactions. Failure to meet care standard could result in the imposition of penalties and extensive costs to correct violations. Let the Röhlig USA team help mitigate your exposure to such events while at the same time providing valuable education and tools to your organization that can be utilized for years to come.
