*** A corporate officer is considered either a president, vice president, corporate secretary or treasurer. If the person signing the power of attorney holds an office or position other than president, vice president, corporate secretary or treasurer, Customs and Border Protection (CBP) requires the following supporting documentation to be attached to the power of attorney: The first page of the company's meeting or minutes OR articles of incorporation (or "Company Act" for some Canadian corporations), the page which shows the individual is authorized to sign on behalf of the corporation, and the page which shows the signature of a member of the company's board of directors. If you are the importer of record, payment to the broker will not relieve you of liability for Customs and Border Protection (CBP) charges (duties, taxes or other debts owed CBP) in the event the charges are not paid by the broker. Therefore, if you pay by check, CBP charges may be paid with a separate check payable to "Customs and Border Protection" which shall be delivered to CBP by the broker. Importers who wish to utilize this procedure must contact our office in advance to arrange timely receipt of duty checks.
